A GUIDE TO PLANS SUBMISSIONS FOR REVIEW

- Please submit two sets of scaled, architectural drawings, signed by the drawing designer, to the Lockport Township Fire Protection District for review. If a signed copy of these drawings is to be returned to the submitting party, please indicate this with your submittal.
- Submit two sets of “cut sheets” of fire protection system components.
- Submit two sets of any required calculations for fire protection systems.
- The turnaround time for plan reviews is usually five to ten business days after date of receipt.
- Plan review comments will be returned to the submitter, along with an INVOICE for review services.
- No “FINAL” inspections or acceptance testing of fire protection systems will be conducted until all review fees are paid in full to the Fire District.
- The Fire District only accepts traditional, architecturally designed, paper drawings.
- All Fire District fees for services are listed in the Fire District’s Ordinance, which can be accessed through the Fire District’s web site.
